RE: Docket # WS-02676A-09-0257

It is unconscionable that the ACC has not scheduled a public hearing for a Rio Rico Utility Inc. (RRUI) water service rate increase within the service area proposed for the increase, The sole scheduled meeting is 130 miles round trip from my residence and a time during the workweek that precludes most RRUI customers from participating in person.

I hereby request that the ACC hold a public meeting on this rate increase in Rio Rico prior to acting upon the requested rate increase and consider public comment from that meeting during ACC deliberations on this rate increase.
